ABOUT ME

I build high-quality and functional websites. With my expertise in different programming languages, frameworks, tools and CMS, I help tech constrained businesses, teams and individuals bring their expectations to life. I have the skills and experience to deliver exceptional work and provide excellent customer service.

EXPERIENCE

Software Engineer

Accenture Inc.

July 2020 - May 2023

- Developed websites using different programming languages, frameworks, tools and CMS.
- Created and implemented website layouts and features.
- Troubleshoot issues and debugged code.
- Collaborated with designers, developers, and stakeholders to ensure projects meet requirements and are delivered on time and within budget.

Business Analyst

Minebea Mitsumi, Inc.

May 2018 - July 2020

- Responsible for evaluating existing processes and implemented solutions to streamline operations, reduce costs and improve efficiency.
- Collected and analyzed data to identify trends, patterns and insights that can inform business decisions.
- Planned and coordinated projects, managing timelines, resources, and budgets, and ensuring successful project outcomes.
